

**The BSU Presidents' Forum**  
**May 2010**

The BSU Presidents' Forum is designed to provide new and incoming presidents and officers with insight into managing their Black Student Union. The forum will address issues such as:

- Developing a documented history of your BSU
- Hosting: alum reunions; homecoming
- Participation in all aspects of the campus community
- Pre-college program and college recruitment initiatives
- Managing and financing BSU initiatives
- Assessment of BSU participants in academic areas
- Enhancing the political and cultural thrust of BSU
- Student exchange with Historical Black Colleges, and professional associations
- Implementing travel study and related initiatives

A number of components will be added upon the interest of participants. The BSU Presidents' Forum will be held May 2010.
